Solemnity of Christ the King, Year A

22nd November, 2020

Dear friends

This weekend we celebrate the Solemnity of Christ the King, the final week of the Church's Liturgical year. Next week we begin the Season of Advent in preparation for Christmas.

The end of the year is often a time to look back in reflection, and we have much to reflect upon this year. It has been a year like we have never had, and never hope to have again! None of us could have imagined the events of this year.

The end of the year can also be a time for us to consider some 'new years resolutions'. What will the new (liturgical) year look like for me? For many of us hopefully it will mean a return to Mass and the Sacraments with some more frequency and normality. Over the past few weeks at Mass, many of you have spoken about the joy at receiving the Eucharist again.

Now that we have the hope of more regular Mass availability, we might consider the place that the Eucharist and the Mass has in my life. Does Jesus truly take the central place in my life? Do I prepare well and give thanks for the gift of Holy Communion? Does my daily life reflect the love of Jesus in the way I treat others? The Gospel is a salutary reminder of this for us.

For a few months our church has been oriented towards the tabernacle, in its original position to assist with the livestreaming and accommodating small numbers easily. Some have expressed the opinion that this might become more permanent, or given an extended trial to see how it goes. If you have any thoughts you would like to express in this regard, please contact one of the Priests

Youth Ministry

During our recent Bayside Catholic Mission meeting it was decided to implement a youth ministry across all the bayside churches.

The youth ministry will aim to build courageous and resilient young people with the clear objective to be seen as service oriented youth driven by charity.

We are seeking committed parishioners to assist in further developing this concept with the view to bring our youth closer to Christ and to learn new skills in a post pandemic era that can be used in service to others. We will be issuing further information in the coming weeks and will be inviting expressions of interest for commitment of parishioners to support the program.

Further details and an Expression of Interest (EOI) will be issued in the coming weeks.

If you are interested in being part of this vision and would like more information please email Kevin Dsouza kevindsouza@pacoasia.com or Michael Staunton mickstaunton@gmail.com

St Vincent de Paul Christmas Appeal Next Week

We have all experienced added stress and pressure in our lives this year due to the COVID-19 pandemic. Many families and individuals have been devastated by the financial impact with more to come next year when government subsidies are reduced.

People will turn to Vinnies for help especially this Christmas. You can help us to bring a little joy into their lives by donating to our Christmas appeal next week.

CATECHISM CORNER

The word "Christ" comes from the Greek translation of the Hebrew Messiah, which means "anointed". It became the name proper to Jesus only because he accomplished perfectly the divine mission that "Christ" signifies. In effect, in Israel those consecrated to God for a mission that he gave were anointed in his name. This was the case for kings, for priests and, in rare instances, for prophets. This had to be the case all the more so for the Messiah whom God would send to inaugurate his kingdom definitively. It was necessary that the Messiah be anointed by the Spirit of the Lord at once as king and priest, and also as prophet. Jesus fulfilled the messianic hope of Israel in his threefold office of priest, prophet and king. (CCC 436)
